Planning your crew's trip:

10 minutes before Zone 45 starts

Information for Sunday's Crews:

- It's an **hg** Sunday and an opportunity for youth to receive their First Communion! This reality may create the need for some fourth and fifth graders to worship in the Sanctuary with their families instead of in the Great Hall with their crews.
 - For youth choosing to worship in the Sanctuary with their families, we will have special resources available in the Atrium.
 - For youth choosing to worship in the Great Hall at The Table services at 9:45 and 11:00 AM, resources will be available in the Commons.
- We will ask that you be available to sit with your crew members in the Great Hall.
- *We will ask crew leaders and members to meet in the **Commons** area by the Children, Youth, and Family office.* Please arrive about 10 minutes before your GodZone class so that we can get organized and make sure everyone finds their crew leader.
- If you or your crew members still need a t-shirt, we'll have them available for pick-up on Sunday morning along with the **hg** worksheet/clipboard.
NOTE: Youth that are receiving their First Communion may opt to wear other clothing.
- There will be Zone 45 youth from other classes (Sunday 8:30 and all Wednesday crews) that may be in attendance for the 9:45 and 11:00 worship services this Sunday morning. Please be flexible and willing to include others in your crew for this **hg** Sunday.

NOTE: Sunday 8:30 crews are encouraged to choose either the 9:45 or 11:00 service for The Table worship. However, if Sunday 8:30 crew leaders would rather come at their regular time, we will go to worship in the Sanctuary together.

- At the end of the Table worship, we will leave the Great Hall together during the Sending Song. There will be attendance sheets available for you to fill out at this time. Also, make sure all the clipboards and worksheets make it back to the correct collection bins. (Youth are welcome and encouraged to bring their worksheet home if they would like to share it with their parents.)

Information for Wednesday's Crews:

You are invited to attend one of the Table worship services on Sunday morning (February 5). On Wednesday, February 8, we will do an abbreviated version of the Sunday service in the Sanctuary for all Wednesday youth. Pastor Randy Brandt will be with Zone 45 on the Wednesday to help us with **hg**!
