

MOPS Discussion Group Guidelines

Discussion groups will probably be one of our most favorite things about MOPS. It is a place for sharing our joys and frustrations, problems and advice, laughs and tears...The following guidelines help to make the discussion time enjoyable for all:

- ☺ *If you already have answered once, try to hold back until everyone has had a chance to share.*
- ☺ *Keep your sharing to ideas that will be beneficial to the group and relative to the topic of the day.*
- ☺ *Try not to get into lengthy stories which would take too much time away from the rest of the group.*
- ☺ *Please keep any sensitive issues discussed in the groups confidential.*
- ☺ *Please remember that there are a variety of educational choices represented in our group. You will find public schoolers, home schoolers, and christian schoolers represented here. Please remember that your choice for educating your children may not be the same for another person. Please do not make statements that imply any one choice is somehow better than that of another.*
- ☺ *Please, no solicitation at MOPS meetings. If needed, this type of business can be taken care of after the meeting.*
