Recipe for a Family Mealtime Moment

When I asked my dog how her day went, all she said was "Ruff."

MEALTIME MIX UP

This is a simple game that can produce hilarious results. Ask each of your family members to think of an ingredient for a meal (Example: pasta, chicken, onion, chocolate). Have them share their ingredient with the family. Then decide as a family what kind of meal you could possibly make by combining those ingredients. Fortunately you won't have to eat it!

FAMILY CONVERSATION

- Do you lick a lollipop until it disappears or bite and chew it?
- What is your favorite summertime memory?
- What musical instrument do you wish you could play?
- What is something kids can do that most grown-ups don't think they can?
- Why are you a good friend?

J.E.S.U.S.

Read 2 Corinthians 1:3-4 and answer the five J.E.S.U.S. questions.

- J** What do you think **JESUS** would say to you about this passage?
- E** How does this passage **ENCOURAGE** you?
- S** How would you **SIMPLIFY** this passage by putting it in your own words?
- U** What is the most difficult part of this passage to **UNDERSTAND**?
- S** How does God want you to **SERVE** others based upon this passage?

What Do You Think about Honesty?

"I don't know why, but grocery shopping makes me tired," Mrs. Collins said to her son Charlie. "I think it's because there are so many choices."

"I know, can you believe that there were so many choices of cereal. Who eats all that stuff?" Charlie said.

"Here's the car. Let's get this stuff loaded and get home," said Mrs. Collins as she unlocked the car and began unloading the cart. "Oh no," she said.

"What's wrong Mom?" asked Charlie.

"The toothpaste is on the bottom of the cart. I don't think we paid for it," she said. "Oh well, we can pay next time."

What do you think of Mrs. Collin's decision?
