### Asthma Program

For children (birth-age 18) diagnosed with asthma. Staff visit and work with the family on ways to reduce the child's symptoms, discuss community resources and decrease exposure to triggers in the home.

### Child and Teen Checkups (C&TC)

Child and Teen Checkups staff can help find a doctor or dentist, make an appointment, find transportation, or an interpreter for families with children and young adults on Medical Assistance from birth to age 21.

### Family Home Visiting

Home visits support families during pregnancy and after delivery. Staff can provide growth and development checks for infants and children, and resources for children with special needs. To apply, call or fill out online form at [www.dakotacounty.us](http://www.dakotacounty.us) (search "home visits").

### Follow Along Program

Keeps track of your child's development from birth - 5 years old. Find out if your child is playing, talking, growing, moving, and acting like other children the same age.

### Immunizations for children and adults 952.891.7999

Immunization walk-in clinics are held monthly in West St. Paul or Apple Valley. Call for information or to schedule an appointment.

### Radon Testing

Test your home for radon. Pick up a test kit in Apple Valley (952.891.7500) or West St. Paul (651.554.6100). Call for availability.

### Tuberculosis testing and treatment

Dakota County offers tuberculosis skin tests by appointment. People with tuberculosis can receive medication at no cost.

### WIC Nutrition Program 952.891.7525

Women, Infants, and Children (WIC) is a nutrition program that offers free nutritious foods and nutrition education to families. If you are pregnant, recently had a baby, or care for a child under age 5, you may qualify for WIC. To apply or for more information call 952-891-7525 or text "dakotawic" to 85511.
